

Hi Joan, Nancy, and Ginny!

Thank you again for your willingness to help with the program on Women in Leadership (Tuesday, October 5th at 8 p.m.). We are all really looking forward to hearing from you, and we know you will bless our women so much. I wanted to let you know that the event will take place in the LAPC. If you could try to arrive by 7:50 or so, that would be great. Hopefully, this will allow you to get there before a lot of the women start arriving!

The night will be fairly informal in terms of how questions will be asked. We will start the panel with you all telling a little about yourselves and your positions. We will then move into a question and answer time, probably allowing women to both write questions as well as just ask directly as areas of interest come up. Please don't feel like you need to prepare much in advance. Let me know if you have any other questions about what the night holds!

We look forward to seeing you on Tuesday. Thank you!
