Re: Response to call for service.

Dear RD Staff

I wish to thank you for your response to Sgt/ Meyer's request for assistance during a difficult and stressful time this morning and I appreciate your willingness to support us during this time.

Thank you all for your willingness to accept the challenge that was requested of you. You demonstrated the strengths and skills needed to meet this unique problem. Your professionalism was very apparent for all to see and it clearly shined. This was a team effort and I greatly appreciate your extraordinary performance and attitudes in meeting all of the demands that were placed on you.

You can be proud in the fact that you have shown that you will rise to and not shy away from any challenge. You took a stressful situation and stepped up to the plate by demonstrating a can do mind-set. God was able to use your special gifts and talents and it was very prominently seen through your actions, attitudes, demeanor, and your professional interactions with your residents. I greatly appreciate your dedication and professionalism in dealing with this very unique and unusual challenge that arose during this time. This is what team work is all about and it was clear it came together this morning.

Thank you,

Jim Holland
