Dear Dr. Hoffman:

Your revised multi-authored manuscript (#03-78), "Predicting College Success with High School Grades and Test Scores: Limitations for Minority Students," is accepted for publication provided I receive (1) the enclosed Transfer of Copyright Agreement and Reference Checklist with your signature, (2) two clean copies of the final manuscript, and (3) a computer disk that contains all material in *Microsoft Word* or *Word Perfect* (Please indicate on the label the format and version used). Do not change fonts, spacing, or margins or use style formatting features at any point in the manuscript except for tables. Please supply an abstract of 100 or fewer words with your paper. You will receive page proofs and a reprint order form from John Hopkins University Press at the appropriate time preceding publication. Your manuscript is currently scheduled to appear in the December, 2004 issue (Volume 28, Number 2) or in the March, 2005 issue (Volume 28, Number 3) of *The Review of Higher Education*.

Thank you for your efforts in revising the manuscript and for your thoughtful and informative explanation of the revisions made. I hope you will continue to consider *The Review of Higher Education* as a publication outlet for your future manuscripts.

Sincerely,
