Attn.: Katie Lowitzki

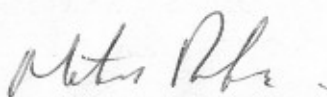

Dear friends:

Thank you so much for your recent donation of assorted groceries given to the Beta Center Hunger Program. We realize how much time and effort this represents, and the thoughtfulness that motivated this donation is much appreciated.

It is very heartening to realize that giving to others less fortunate than ourselves is a virtue alive and well.

Thank you again and please feel free to visit us at the Beta Center Hunger Program.

Sincerely yours,

Martin Rodriguez
